BOODLES & DE GOURNAY COLLABORATION

Boodles are delighted to unveil a new collaboration "Papillon by Boodles and de Gournay"; an exciting partnership between two well-loved family-owned, British brands through which the concepts of art, craft and beauty are explored. boodles.com

MARCUS WATCHES

Greubel Forsey's Double Balancier à Différentiel Constant is the result of painstaking years of research. This new mechanism pushes the limits of timekeeping. Two inclined balance wheels optimise performance in stable positions, while the Differential provides more steady amplitude. Aesthetically, this timepiece is both understated and yet complex. This unique edition is limited to 33 pieces in white gold. marcuswatches.com
